The objectives on the C.M.E. are as follows:

1. To ensure knowledge and technology transfer between urban cities and rural areas, so as to build the capacity of medical and paramedical human resources of Konkan region of Maharashtra.

2. To facilitate an interaction between renowned doctors and experts from Mumbai (Hinduja, Lilavati and Fortis Hospital) and local doctors, so as to ensure that the latest and best medical practices get implemented at local level.

3. To act as a medium for implementing the Maharashtra Medical Council Decision to implement credit point system, so as to continuously update knowledge of general practitioners and specialists.
